

FAMILY OF SATAN

FAMILY OF GOD

Brother born in Adversity

A son born after the flesh who seeks to persecute the righteous works of his brother. Having been born for adversity, this brother walks disorderly after his own will to strive against the promise of God and bring it into bondage. Angered by his pride, and non acceptance of God, his hate is revenged upon his brother's righteous deeds, and bringing to light that whoever hates his brother is a murderer.

Son of Perdition

Also known as the son of man whose heart is fully set to do evil. He is the lost son who wills to sit on a throne of whom he is not the heir. Born of the seed of an adulterous whore, making him the son of a sorcerer. He is the man of sin that draws back unto perdition, who exalts himself above all that is called God. He is the son that believes his father is God, while denying the Son of God as the rightful heir.

Daughter of Whoredoms

As is the daughter so is the mother. A daughter born of men, conceived in fornication with adulterous men. She is taught of the mother of harlots to commit whoredoms by seducing the sons of God to worship other gods. She loathes her husband and her children. She loathes her sisters husband and their children. She loathes her mother's counsel, she commands kingdoms by seduction, making sure the heirs of truth do not reign.

Wife is an Adulterous Woman

Queen of the kingdom, quietly (yet loudly) ruling in her husbands affairs. An evil woman who flatters with her words and takes men with her eyelids. An adulteress who departs from her husband by forgetting the covenant of her God, and hunts for precious life. Seducing young men void of understanding, she fills the kingdom with children of whoredoms. She is subtle in heart, and her house is the way to hell, going down to the chambers of death.

Friend of the World

An adulterer or adulterous who has a lust for the world, always warring and praying amiss, wanting what's not his. An enemy of God with an evil eye who always feels cheated being called but never chosen, desiring to have but never obtaining. His friendship is for self gain, making himself equal with the true friend of God then betraying him by magnifying himself against him and killing him. He will be bound hand and foot and be cast into outer darkness.

Brother of Christ

A righteous brother and companion in tribulation. Loved of his Father, enduring the persecution of his evil brother. He loves the brotherhood honoring all men, fearing God and honoring the King. He is the true example of brotherly love in edifying the Kingdom. He is above a servant, a faithful minister, being a mouth piece for the King. He is a fellow laborer and fellow servant in the gospel of the kingdom.

Son of God

Son of promise, born of the Spirit, made after the image of God, he is the true heir to the throne of his Father. Taught under tutors, he must learn obedience by the things he suffers. Being the first born of many brethren he is chosen to be the sacrifice for the kingdom he will rule. Persecuted by his brother he is made an overcomer and receives power to be Lord of all, giving life to all who will believe in him.

Daughter of Zion

Virgin daughter of Jerusalem likened unto a comely and delicate woman. She is the beauty of Israel, cherished by the love of her Father. Always doing well, she trusts wholly in the Lord, having great faith in the healing and salvation of Israel. Being set aside for her husband, she serves God in prayers night and day in the temple, rejoicing and singing at the presence of God, counting him faithful and true at his coming.

Wife is the Bride of Christ

The bride of Christ, holy city, new Jerusalem, has prepared herself for the marriage of the Lamb. Rejoiced over by the bridegroom, she is the faithful church and body of God who is sanctified and cleansed by the life of her husband. Her body is not her own, but is subject to her husband, having the glory of God as her light. Loved by him, she is the mother of all of his children, being faithful to prepare the home & give him many sons and daughters.

Friend of God

A keeper of the commandments of God, chosen and ordained to bring forth fruit. He works by faith, believing every word of God, knowing that whatever he ask is given to him with nothing being hid. He is a friend of the bridegroom rejoicing greatly of the grooms voice in having a bride. Having righteousness imputed, he commands his children and his household after him, loving one another and forever keeping the way of The Lord.
